Preliminary Statement

1. FTI provided services to the Retiree Committee in accordance with the instructions and directions of the Retiree Committee and its counsel. The Retiree Committee represents approximately 167,000 retired employees of the Commonwealth of Puerto Rico ("**Commonwealth**" or "**Puerto Rico**") and various Commonwealth agencies and instrumentalities and their surviving beneficiaries, including Puerto Rico's retired teachers, police officers, firefighters, judges, municipal clerks, engineers, and other government workers of all categories, who hold accrued pension benefits on account of having participated in the Employee Retirement System (the "**ERS**"), the Teachers Retirement System (the "**TRS**"), and/or the Judiciary Retirement System (the "**JRS**"), among other potential post-employment benefits (the "**Retirees**"). The pensions of the Retirees, along with those held by currently active employees who have participated in the ERS, TRS, and/or JRS, are collectively underfunded by at least \$50 billion. The Retirees are the largest group of creditors in these Title III cases.

2. During the Interim Period, FTI performed a variety of financial advisory services that were necessary and appropriate for the efficient and economical advancement of the Retiree Committee's interests in the Title III Cases, including, among other things: commencing in-depth diligence of the January 27, 2022 FOMB Certified Fiscal Plan and its underlying assumptions;

monitoring the trajectory of Puerto Rico's economic recovery during the COVID-19 pandemic; monitoring the voting and plan solicitation process; reviewing and analyzing expert reports and depositions by various parties' expert witnesses; analyzing the modifications, especially with respect to the treatment of pension claims, made by the FOMB to the various versions of the Commonwealth Plan of Adjustment (the Eighth Amended Plan of Adjustment and related informative motions on November 3, 2021 [Dkt. No. 19053] where pension cuts were eliminated; the Modified Eighth Amended Plan of Adjustment filed on December 21, 2021 [Dkt. No. 19568]; and the final Modified Eighth Amended Plan of Adjustment filed on January 14, 2022 [Dkt. No. 19784]); reviewing and analyzing the Title III Court's Findings of Facts and Confirmation Order filed on January 18, 2022 [Dkt. No. 19812 and 19813]; meeting and conferring with the Retiree Committee, its counsel, actuarial consultants, and communications advisors on key case issues impacting Retirees; monitoring the mainland and on-island media coverage of the case, as well as developing media communications strategies in coordination with the Retiree Committee's communications advisors; and engaging in discussions and negotiations with various constituencies.

3. FTI's work during the Interim Period was necessary for, and beneficial to, the Retirees and served to ensure that the interests of the Retirees were properly represented and safeguarded in these Title III Cases. FTI is compensated on an hourly fee basis, plus reimbursement of actual and necessary expenses incurred by FTI.

4. By this Application, FTI seeks allowance of compensation for actual and necessary professional services rendered by FTI as financial advisor to the Retiree Committee for the Interim Period in the amount of \$405,596.00 and reimbursement for actual and necessary expenses

incurred in the Interim Period in the amount of \$250,590.06, for a total of \$656,186.06 before any withholding tax on on-island professional fees for the Interim Period.

5. This Application summarizes the services rendered by FTI on behalf of the Retiree Committee during the Interim Period. While it is not practical to describe every activity undertaken by FTI, FTI has maintained contemporaneous time records which include a detailed chronology of the daily services rendered, describing the precise nature of the work, the specific tasks performed, and the time expended by each professional. A breakdown of the hours and fees by professional and by location of work performed is annexed hereto as **Exhibit B**. A breakdown of the hours and fees by task code and by location of work performed is annexed hereto as **Exhibit C**. A detailed copy of the time records of work performed on the mainland for the Interim Period is annexed hereto as **Exhibit D**. A detailed copy of the time records of work performed on the island for the Interim Period is annexed hereto as **Exhibit E**.

6. FTI has incurred out-of-pocket disbursements during the Interim Period broken down into categories of charges itemized in **Exhibit F**. A detailed breakdown of these charges is annexed hereto as **Exhibit G**. Each charge incurred by FTI was necessary and reasonable, and was incurred as a direct result of FTI's representation of the Retiree Committee.

7. In accordance with the Interim Compensation Order, FTI has requested payment for 90% of the fees for actual and necessary services incurred during the Interim Period in the amount of \$365,036.40 before tax withholdings and for 100% of the expenses incurred during the Interim Period in the amount of \$250,590.06 for a total payment amount of \$615,626.46.

8. As of the date of this Application, FTI is owed \$210,124.97 for professional fees before tax withholdings and any erroneously withheld Commonwealth government contribution taxes (\$185,805.69 after 10% tax withholdings on on-island fees) and \$30,788.98 for actual and

necessary expenses for a total of \$240,913.95 (\$216,594.67 after 10% tax withholdings on on-island fees). FTI reserves all rights to dispute the amount of taxes withheld from the payment of this Fee Application and any other Fee Statements and Fee Applications.

36. For the Fourteenth Interim Period, a payment of \$115,049.00 in fees is still due, comprised of 90% of fees requested for the months of December 2021 and January 2022 and holdback for the Interim Period before tax withholdings (\$115,049.00 after 10% tax withholdings on on-island fees). A payment of \$30,788.98 in expenses is still due, comprised of 100% of expenses requested for the months of December 2021 and January 2022, for a total payment outstanding of \$145,837.98 before tax withholdings (\$145,837.98 after 10% tax withholdings on on-island fees).

37. FTI’s fees are based upon hours charged, recorded in tenth of an hour increments, at FTI’s ordinary and customary hourly rates in effect as of January 1 of the calendar year in which the services are rendered, plus reimbursement of actual, necessary out-of-pocket expenses and other charges incurred by FTI on behalf of the Retiree Committee. FTI periodically adjusts its rates, generally at the start of each calendar year.

38. The cover sheet to this Application contains a schedule setting forth all FTI professionals who have performed services in the Title III Cases during the Interim Period, the

position of each individual, the hourly billing rate charged for services performed by such individual, the aggregate number of hours expended in this case and fees billed therefore.

39. By this Application, FTI seeks allowance of compensation in the amount of \$405,596.00 and reimbursement of expenses in the amount of \$250,590.06. As of the date of this Application, FTI has received compensation in the amount of \$290,547.00 and reimbursement of \$219,801.08 of expenses for the Interim Period.

40. This is FTI's fourteenth request for interim compensation in these Title III Cases. As set forth in the Gumbs Certification, all of the services for which interim compensation is sought herein were rendered for and on behalf of the Retiree Committee in connection with these Title III Cases. To the best of FTI's knowledge and as disclosed in the *Declaration Of Steven Simms In Support Of Application of the Official Committee of Retired Employees of the Commonwealth of Puerto Rico for Order Approving the Employment of FTI Consulting, Inc.* [Dkt. No. 877-2] (the "**Simms Declaration**") and the *Second Supplemental Declaration of Steven Simms in Support of the Application of the Official Committee of Retired Employees of the Commonwealth of Puerto Rico for Order Approving the Employment of FTI Consulting, Inc.* [Dkt. 6949] ("**Second Simms Declaration**"), FTI is a "disinterested person" as defined in section 101(14) of the Bankruptcy Code, although not required by PROMESA, and except as otherwise specified in the Simms Declaration, FTI's professionals do not hold or represent any interest adverse to the Retiree Committee.

41. FTI has in the past represented, may currently represent, and likely in the future will represent parties in interest in these cases in connection with matters unrelated to the Retiree Committee or the Title III Cases. In the Simms Declaration, FTI disclosed its connections to parties in interest in the Title III Cases that it has been able to ascertain using its reasonable efforts.

FTI has and will continue to update such disclosures, as appropriate, if FTI becomes aware of relevant and material new information.

42. FTI performed the services for which it is seeking compensation on behalf of the Retiree Committee and not on behalf of any other committee, creditor, or other entity.

43. FTI has not received payment or promise of payment from any source other than the Commonwealth, for its services rendered and expenses incurred on behalf of the Retiree Committee in connection with the Title III Cases.

44. FTI does not share fees with any professionals except to the extent permitted by section 504 of the Bankruptcy Code.

Summary of Financial Advisory Services Provided During the Interim Period

45. The Title III cases have presented numerous large and complex issues that had to be addressed in order to maximize value for retiree constituents. The Retention Order authorized FTI to render financial advisory services to the Retiree Committee.

46. FTI has taken reasonable steps to avoid duplication of services by FTI's professionals. During the course of the Interim Period, there have been a few instances where more than one FTI professional attended meetings or mediation sessions. These multiple attendees were necessary to accomplish the significant amount of work which needed to be performed in a compressed amount of time involving complex facts and transactions and the participation and involvement of multiple attendees to divide up the work was necessary under the circumstances.

47. FTI has established, in accordance with its internal billing procedures, subject matters categories (each, a "**Matter Category**") for keeping time records of the work performed for the Retiree Committee. A summary of the time incurred by professional and by Matter Category is attached hereto as **Exhibit B** and **Exhibit C**. In addition, subject to redaction for attorney-client

privilege, attorney work product, and confidentiality where necessary to protect the Retiree Committee, FTI's records of time worked providing professional services to the Retiree Committee are attached hereto as **Exhibit D** and **Exhibit E** for services rendered on the mainland and on-island, respectively.

FTI's Requested Compensation and Reimbursement Should be Allowed

56. The services for which FTI seeks compensation in this Application were, at the time provided, necessary for and beneficial to the Retiree Committee. FTI performed these services economically, effectively, and efficiently, and they benefited the Retiree Committee. The expenses incurred were as a direct result of FTI's representation of the Retiree Committee and are the type customarily charged to non-bankruptcy clients of FTI. FTI respectfully submits that the compensation and reimbursement requested are reasonable in light of the nature, extent, and value

of such services to the Retiree Committee. Accordingly, FTI submits the compensation sought in this Application is warranted and should be approved.

Reservation of Rights and Notice

57. It is possible that some professional time expended or expenses incurred during the Interim Period are not reflected in the Application, as such time or expenses may not have been captured in FTI's billing system on the date of filing this Application. FTI reserves the right to include such amounts in future fee applications.

58. Pursuant to the Interim Compensation Order, the Retiree Committee has provided notice of this Application to: (a) the U.S. Trustee; (b) counsel to the FOMB; (c) counsel to AAFAF; (d) counsel to the UCC; (e) the Fee Examiner; and (f) all parties that have filed a notice of appearance with the Clerk of this Court, pursuant to Bankruptcy Rule 2002 and applicable provisions of the Local Rules, and requested such notice.

Except as otherwise noted, I have personal knowledge of the matters set forth herein.

3. I have read the Application. The statements contained in the Application are true and correct according to the best of my knowledge, information, and belief.

4. To the best of my knowledge, information, and belief, formed after reasonable inquiry, the fees and disbursements sought in the Application are permissible under PROMESA, the Federal Rules of Bankruptcy Procedure, the *Puerto Rico Oversight, Management, and Economic Stability Act* (“**PROMESA**”), 48 U.S.C. §§ 2101–2241; the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”); the Bankruptcy Rules for the United States Bankruptcy Court for the District of Puerto Rico (the “**Local Rules**”); the Court’s *Order Authorizing the Employment of FTI Consulting, Inc. as Financial Advisor for the Committee of Retired Employees* [Dkt. 5. The fees and disbursements sought in the Application are billed at rates FTI customarily employs and FTI clients generally accept in matters of this nature.

6. None of the professionals seeking compensation varied their hourly rate based on their geographic location.

7. FTI is not seeking compensation for this Interim Period for routine billing activities that typically are not compensable outside of bankruptcy.

8. FTI does not make a profit on costs or expenses for which it seeks reimbursement, whether the service is performed by FTI in-house or through a third party.

9. In accordance with Rule 2016(a) of the Bankruptcy Rules and 11 U.S.C. § 504, no agreement or understanding exists between FTI and any other person for the sharing of compensation to be received in connection with the Title III Cases except as authorized by PROMESA, the Bankruptcy Rules, and the Local Rules.

10. All services for which compensation is sought were professional services rendered to the Retiree Committee and not on behalf of any other person.

11. The Retiree Committee was provided with a copy of the Application before it was filed with the Court and does not object to the relief requested therein.

12. In accordance with the *Order Imposing Additional Presumptive Standards: Rate Increases and the Retentions of Expert Witnesses or Other Sub-Retained Professionals*, I certify that the Retiree Committee authorized the rate increase, both with respect to effective date and specific amount, on a timekeeper-by-timekeeper basis.

13. FTI's 2021 and 2022 hourly rate schedules for non-owner timekeepers are as follows:

TITLE	STANDARD RATE (\$)			STANDARD RATE (\$)		
	2021			2022		
	Corporate Finance/Restructuring	Forensic & Litigation Consulting	Strategic Communications	Corporate Finance/Restructuring	Forensic & Litigation Consulting	Strategic Communications

* Does not include professionals in the Economic Consulting practice, whose rate increases will be effective on 4/1/2022.

14. On an annual basis, each FTI practice evaluates the hourly rates charged by its billing professionals to determine whether those rates should be increased based on a timekeeper's developing skill, experience, professional advancement and academic or professional level of certification. FTI's hourly rate increases are consistent with changes in market hourly rates. The 2022 rates charged by the billing professionals working on these Title III cases were set through this process, and are consistent, both in amount and timing, with rates for FTI timekeepers not working on these Title III cases.

I certify under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief formed after reasonable inquiry.
